Important information

Remortgage incentive – legal fees paid

If you have applied for a product where we will arrange and pay for the standard legal work in transferring your mortgage (refer to Section 12 of your Offer), please read the following information carefully together with your Offer document. Please keep both documents together in a safe place for future reference.

Section 10 gives cash examples of the early repayment charge(s).

If you redeem your mortgage on or before your charge end date, the maximum you will have to pay back relating to this incentive is £200, and not £400 as quoted. This is together with any other early repayment charges as set out in Section 10.

Exclusively for mortgage customers

Here at Santander we like to reward loyalty. By completing on a mortgage with us, you will be eligible to apply for a Santander bank account from our loyalty range.

We will check that you remain eligible for our loyalty bank account range up to 12 times per year. If you no longer meet the eligibility criteria for the bank account we will contact you before taking action to transfer you to an account from our standard bank account range.

Please contact your local branch for more details on how to apply for either a Santander bank account from our loyalty range or an account from our standard range.
